Twin	Ø 300 x 140 x 172	285 x 130
Triple	Ø 444 x 140 x 172	430 x 130

## Move It.

Inspired by fluid movement, the **FLUX** series is the sister of our Flow range. This fitting has a sleek, stylised and European look with one of the major design features is the engineering to create no visible light source from the normal viewing angle. The heads are adjustable and the **FLUX** family offers an answer to a diverse range of applications.

**FLUX S TWIN**
