KIT MINI DOWNLIGHT

**KIT MINI TRIMLESS
DOWNLIGHT**

Your Go-To Luminaire.

The most popular downlight in the world? Not sure, but it is in ours. Petite, bright, adjustable and with a detailed touch that'll bring a sophisticated and stylish (plus smooth as) edge to your space. With a reputation forged in being the go-to luminaire when you need it used here, there or everywhere, it's no wonder this is a real crowd-pleaser. Please, form an orderly queue.
