CONCERTO

You got me baffled baby

Coming in different finishes, the slim and customisable Concerto pendant has a deep baffle—deeper than Barry White deep. And while this luminaire might be minimal in aesthetics, its list of attributes create quite a show.

SOLO

The one-man band

Sometimes one fitting can lift a space all on its lonesome – the Solo is no exception. Its applications are diverse – in ceilings washing down walls, wall mounted or around mirrors. It also provides the flexibility to customise lengths. Its flat face makes it ideal to create intricate recessed architectural displays.

BENDABLE 'NEON' RANGE

Move it, make it, create it – rock on!

Mirrors, bars, feature lights, custom projects, signage, hard-to-reach spots, pendants, bulkheads. Our bendable series is created with the art of creating in mind. Virtuoso has 360° illumination plus it's waterproof and can be used outdoors. With Medley you can cut it at any point, plus you don't have those damn awful LED spots. The ultra petite Piccolo is really something to sing about too with its super small size and versatility.

Whatever your application you're guaranteed an encore performance with this lot.
